

To everything there is a season...

Dear Irene,  
Hi! I gonna miss  
seein you every day after  
school ends. We gotta go up  
town alot this summer & maybe this  
Saturday (If I get the car.) I'm glad we really  
got close this year and I hope we always stay  
that way. I think good friends are the most  
important thing in the world, and you're  
really one of my best friends (I no lie to you!)  
Congratulations on getting your ring and I hope  
you get it pretty soon. Remember all the fun  
we had goin uptown in the summer time  
and on Saturdays, remember bike ridin and  
yellin down by Sherri's house! It's important  
to keep your friends even after we graduate  
and I ~~too~~ know the 4 of us will always  
stay together. Pretty soon ~~we~~ we will be gettin  
our rings, then the lounge, and we'll be seniors.  
These 3 years have gone so fast that pretty  
soon we'll be signin our own yearbooks.  
That's really gonna be sad! Anyway the most  
important thing is that we all stay ~~together~~ <sup>close</sup>  
so that we can all cry together at graduation!  
Hope to see you alot this summer & next  
year.

Love  
Trickin

Sure,  
 In the 3 years  
 we've been going to  
 school together  
 I think this year  
 we've gotten to know  
 you the best. Don't  
 ever be upset. Watch  
 the wrestling. Maybe and  
 me, you, & Karen can go see  
 a match. See you next  
 year as a senior.  
 Love Kathy Ryan

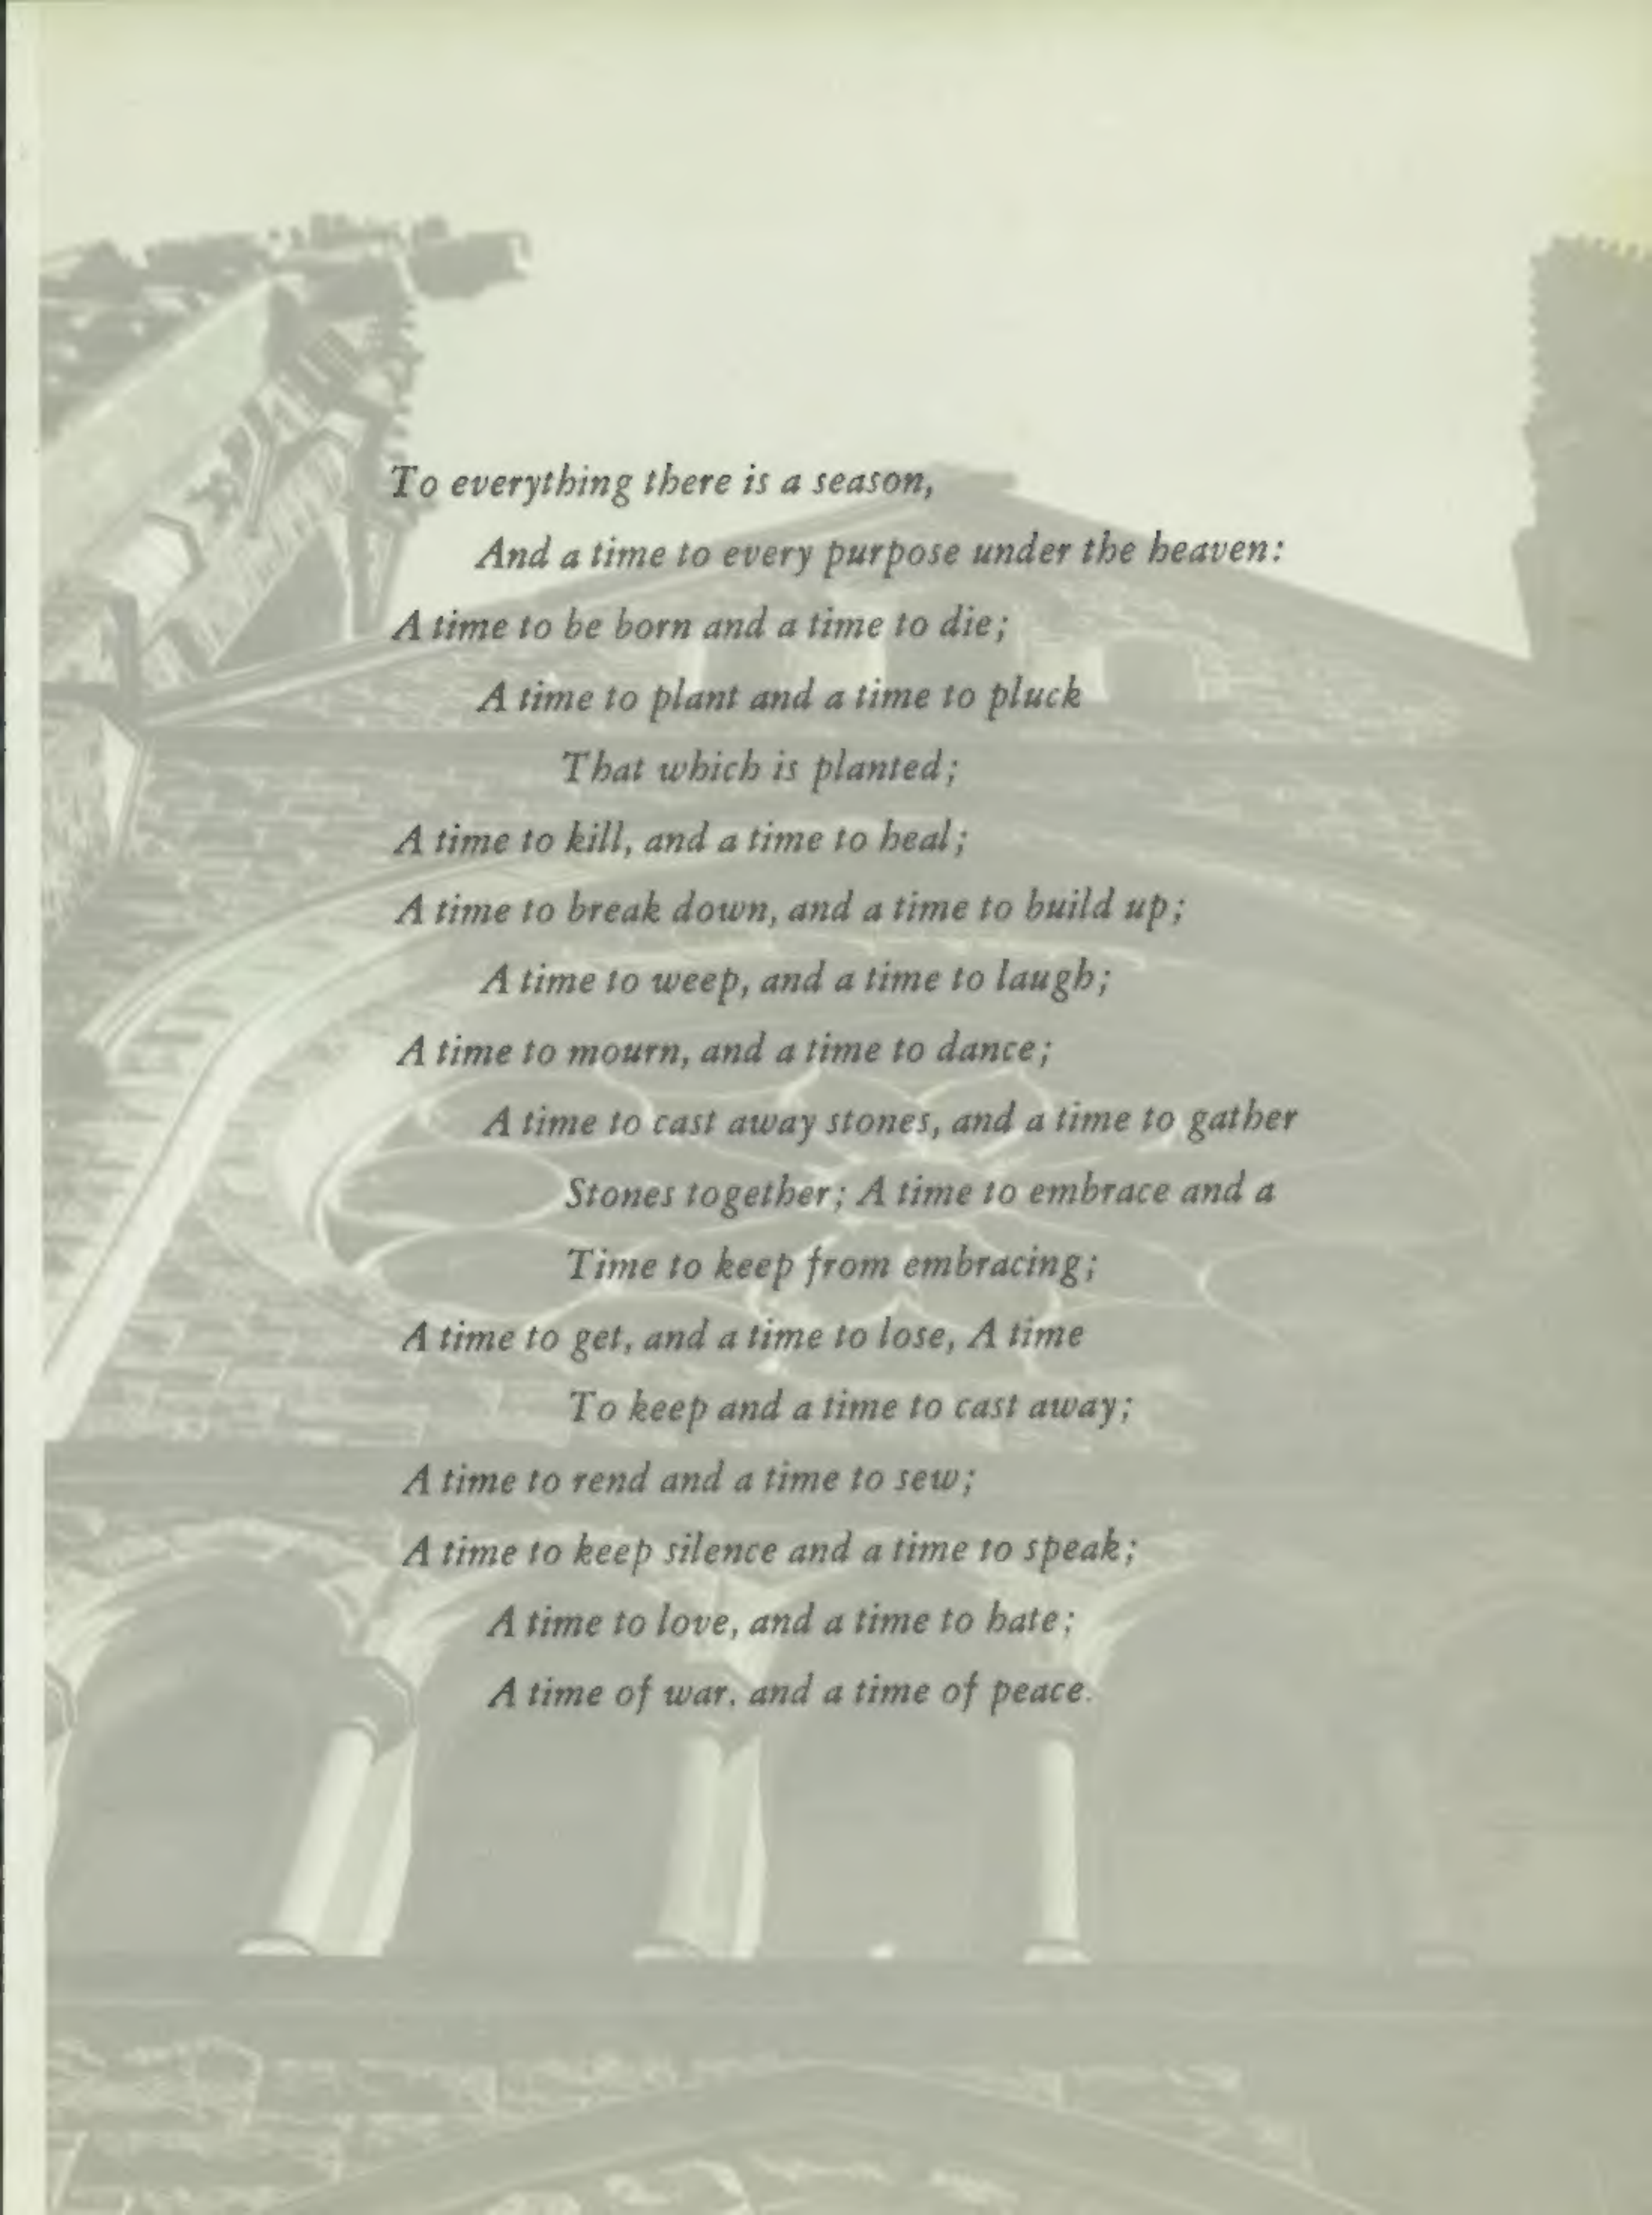

Sure,  
 It sure has been fun this  
 year having you in my classes  
 especially in Spanish & History. Never  
 forget me or Fritz, Cause we'll never  
 forget you. Good luck and be good.

Love ya  
 Chris

Dear Bob, you were  
 a great friend & stay  
 with me and my friends  
 a lot. I will be  
 happy to see you again.  
 I hope you are happy  
 that all the people  
 that are in the world  
 love you. Love you  
 & give you a big  
 hug. Love you.

I hope you have  
 a nice summer.  
 I'm looking forward to  
 seeing you again  
 next year. Take care of  
 your family.  
 Love, (name)

A time to be born and a time to die;  
A time to plant and a time to pluck  
That which is planted;  
A time to kill, and a time to heal;  
A time to break down, and a time to build up;  
A time to weep, and a time to laugh;  
A time to mourn, and a time to dance;  
A time to cast away stones, and a time to gather  
Stones together; A time to embrace and a  
Time to keep from embracing;  
A time to get, and a time to lose, A time  
To keep and a time to cast away;

June,

This past year has been really great!  
Aren't you glad you're in 11-A. Remember  
last year when you wanted to quit  
because you got moved to 10-1? I  
hope we both have some classes  
together again next year cause you  
really made our classes funny.  
Especially history. Never forget  
all the fun we had this year &  
next year should be better!  
Have fun over the summer & see  
ya next year. SENIORS!

By, Terri

 Hi! we've been  
 through a lot together

 could have been together for 3 years.  
 I know I'll see you this summer. me & UAIR  
 will come down & see you. I just want  
 to tell you that you are one of my best  
 friends & you'll always be one. I just think one  
 more year & we'll be out. (Doo-Hoo). I hope we can  
 stay real close forever. I love you

LOVE
